

"Round 'em up! Help 'em out!"

Community Service 2004 - 2005

Dear FCCLA members,

F

This year for our State FCCLA Community Service Project, each District will be asked to raise a minimum of \$250.00 to provide the girls at the Florence Crittenton Home (FCH) in Helena with camping gear. The money will go toward purchasing tents, sleeping bags, cookware, and other necessities for recreational activities.

On a tour of the FCH, the director stated that this non-profit organization functions solely on the donations of others. The women at Florence Crittenton range in age from 13-18. The FCH is a refuge for girls who have been victims of violence or abuse. There are also services available for pregnant teens which include therapy sessions and strengthening family relations.

Please donate to this worthy cause and thanks for "helping 'em out!" Please have the donations to your district president by March 1, 2005.

Sincerely,

Tabatha Carroll
